YOU'RE THE STAR

## WE'RE THE FILM CREW!

RANDOMLY APPROACHING

PEOPLE SINCE 2022!

Always when you least expect us!

Shooting is about to begin, and everynone is ready:
The director is annoyed, the producer nervous, the
sound-person drunk, the camera-person confused, and
make up have no clue.

But where is our star?

There you are!

Film crew is a mobile, interactive, absurdist
performance, in which we play the production team,
and whomever we approach suddenly becomes our
actor(s) and must follow direction!

Again,
but with
feeling!

Did you
forget
your
lines?

Don't
look into
the
camera!

I'll be in
,my
trailer!

Cut!
Bring in
the
penguin!
